- i) that in the preparation of Annual Accounts for the Financial Year ended 31<sup>st</sup> March, 2024, the applicable accounting standards have been followed along with proper explanations relating to material departure.

- iii) that the members of the Committee had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies' Act, 2013 for safeguarding the assets of the Club and for preventing and detecting fraud and other irregularities.
- iv) that the members of the Committee had prepared the accounts for the Financial Year ended 31<sup>st</sup> March, 2024, on a "going concern basis".
- v) The Committee has devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

**EXPLANATION ON QUALIFICATION MADE BY THE STATUTORY AUDITOR****Qualification, adverse observations by the Auditors**

*The Club has not considered certain donations and Events' sponsorships and advertisement as taxable income which are not covered under the 'Concept of Mutuality' and hence, were not considered for making necessary Income Tax Provision for the financial year 2023-24. The possible effects on the financial statements of the Club in respect of the same have not been ascertained.*

The interpretation of the principle of mutuality came to be considered by the Hon'ble Supreme Court of India in a batch of appeals numbered 5195-5201 of 2012 and judgment was delivered on 17th August, 2023. The case before the Hon'ble Supreme Court was in regard to taxability of interest earned from fixed deposits kept in banks. While holding that such interest would be taxable and will not be governed by the Principle of Mutuality, their Lordships also held at para 43(vi) that income earned by a club through its assets and resources from persons who are not members of the club would also be taxable. The judgment does not, however, clarify what amounts to use of assets and resources of the club and, therefore, there is ambiguity as to whether income from sponsorship, advertisement etc (as stated by the Auditors) would amount to income earned through assets and resources of the club. The position of the club is further fortified by an order of assessment in our own case passed by the Income Tax Authorities u/s 143(3) [commonly known as scrutiny assessment] on 27th March 2024 in respect of assessment year 2022-23. In the said order, after taking into consideration all disclosures by the Club, the Income Tax Authorities accepted the submissions of the Club and imposed tax only in respect of interest on bank deposits and commission income. Therefore, the income from sponsorship, advertisement etc were not brought to tax although the order of assessment was passed 8 months after the afore-mentioned judgment of the Hon'ble Supreme Court. Your Directors are closely monitoring further legal developments in the doctrine of mutuality and will recognise liability of taxes on such income only if the matter is clarified beyond reasonable doubt.

*Unreconciled differences amounting to Rs. 1,030.01 thousands been the Sales Bill Register outstanding and the Debtors Ledger should be reconciled at a regular interval.*

The difference has been reconciled in the current financial year (2024-25) and necessary steps are under consideration for undertaking such a reconciliation as a regular process.

*Control procedures for collection of receivables in the usual course of business should be strengthened.*

The recommendation is noted and appropriate measures will be initiated in the current year.

*The Auditors have reported a serious lapse of internal control function in as much as an employee retained substantial funds of the Club unauthorisedly without depositing the same in the bank on the following day. Management failed to detect the lapse in internal control in time but took adequate steps against the defaulting staff and recovered the amount in instalments throughout the year. Furthermore, Internal Auditors also failed to note the same and report to Management.*

The incident reported by the Auditors occurred in financial year 2022-23 and, as mentioned by the Auditors, was not brought to the notice of the Management by the Internal Auditors. Upon detection in the course of an internal review, immediate steps were taken and the matter stands closed without any loss to the Club. Appropriate steps have been taken for a more rigorous monitoring of deposit of cash balances in banking accounts.

*The Club has not maintained proper records showing full particulars, including quantitative details and situation of its fixed assets. The Auditors have further recommended that an appropriate internal control system and verification procedure in this regard is to be implemented.*

Although there are numerous practical difficulties envisaged in creating an asset register in respect of all assets, given that many assets were acquired many years ago, Management intends to take up the process in the current year after due deliberation on the best way to undertake this exercise.

*Improvement and strengthening of internal control in respect of effective utilisation of IT system by eliminating human intervention between operational and financial software as well as over follow-up and realisation of old member's outstanding balances in order to reduce bad debts.*

Management is seized of these recommendation and will take reasonable steps during the current year.

*After referring to the factual matrix in respect of renewal of lease agreement with KMDA, the auditors have stated that valuation report on remaining useful life of main building, TV lounge building and Indoor Sports Complex have not been furnished.*

Management confirms that an exercise was undertaken but certain gaps were detected in the content of the Valuation Report. These will be done afresh in the current year.

## INDEPENDENT AUDITOR'S REPORT

To

The Members of

**THE LAKE CLUB LIMITED**

**Report on the Audit of the Financial Statements**

### Qualified Opinion

We have audited the accompanying Financial Statements of **THE LAKE CLUB LIMITED** ("the Club"), which comprise the Balance Sheet as at 31st March 2024, the Statement of Income and Expenditure and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as the financial statements').

In our opinion and to the best of our information and according to the explanations given to us, *except for the possible effects on the financial statements of the matter referred in the Basis for Qualified Opinion paragraph below*, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Club as at March 31, 2024, and its surplus and its cash flows for the year ended on that date.

### Basis for Qualified Opinion

*The Club has not considered certain donations and Events' sponsorships and advertisements as taxable income which are not covered under the "Concept of Mutuality" and hence, were not considered for making necessary Income Tax Provision for the financial year 2023-24. The possible effects on the financial statements of the Club in respect of the same have not been ascertained.*

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the 'Act'. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Club in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the 'Act' and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### Emphasis of Matter

We draw attention to the following matters of the Notes to Financial Statements;

- i) Note 2.2 of financial statements wherein the *Club has stated that the remaining useful life of main building and useful life of TV Lounge building (included in main building) and indoor sports complex is considered on the basis of technical assessment done by Registered Chartered Valuer since the renewal of lease agreement is pending with KMDA from January, 2012. However, the valuation report of the Valuer could not be produced for our verification. The management should consider fresh valuation of such buildings as on date.*
- ii) Note 12 of financial statements wherein the *Club has stated that the unreconciled differences amounting to Rs.1,030.01 thousands between the Sales Bill Register outstanding and the Debtors Ledger. The difference between Sales Bill Register and Debtors Ledger should be reconciled at a regular interval*
- iii) *Control procedures for collection of receivables in the usual course of business should be strengthened.*

Our opinion is not modified in respect of these matters.

### **Information Other than the Financial Statements and Auditors' Report Thereon**

The Club's management is responsible for the preparation of the other information. The other information comprises the information included in Report of Committee Members, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above, and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of the Management and Those Charged with Governance for the Financial Statements**

The Club's management is responsible for the matters stated in section 134(5) of the 'Act' with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Club in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Club and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

The Club's management is also responsible for overseeing the Club's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Club has adequate internal financial controls system in place and about operating effectiveness of such controls.
- Evaluate appropriateness of accounting policies used, reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate overall presentation, structure and content of the financial statements, including disclosure and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

## **ANNEXURE – B**

**(Referred to in paragraph 2 “Report on Legal and Regulatory requirements” of the Auditors' Report of even date)**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **The Lake Club Limited** ('the Club') as of March 31, 2024 in conjunction with our audit of the financial statements of the Club for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Club's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Club considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by 'ICAI'. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Club's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information as required under the 'Act'.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Club's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by 'ICAI' and deemed to be prescribed under section 143(10) of the 'Act' to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Club's internal financial control system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A club's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A club's internal financial control over financial reporting includes those policies and procedures that;

- i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the club;

- ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Club are being made only in accordance with authorizations of committee members of the club; and
- iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the club's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

In view of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

We have noted a serious lapse of internal control function in as much as an employee retained substantial funds of the Club unauthorisedly without depositing the same with the bank on the following day. Management failed to detect the lapse in internal control in time. However, management took adequate steps against the defaulting staff and recovered the amount in installments throughout the year. Furthermore, Internal Auditor also failed to note the same and report to the management.

Subject to our above stated observation, in our opinion and to the best of our information and according to the information and explanations given to us, the Club has generally maintained an adequate internal financial controls system over financial reporting with reference to these standalone financial statements and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2024, based on the internal control over financial reporting criteria established by the Club considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

However, the internal control with respect to following needs to be improved and strengthened.

- a) The Club did not have an appropriate internal control system of maintaining records of individual Property, Plant and Equipment for safeguarding and establishing an effective assets identification and verification control procedure.
- b) Effective utilization of the IT system by integration of operational and financial software and eliminating human intervention between the two.  
Due to the operational software system being non-integrated with the financial tally package, implication of processing accounting transactions outside the operational software and any consequent effect on the financial statements, if any, are unascertainable.
- c) Ensure adequate internal control over management and strengthening of the internal controls in respect of follow-up and realization of old members' outstanding balances in order to reduce bad debts.

One small appeal from me to the esteemed members. I see a lot of athletic and able bodied members children who would come down for swimming and other activities..Request the parents to send them for rowing as well, adorn the club colours and row to glory for the club, the State, the Nation...

We have such examples in the past like Mr. Sreenjoy Guha who has represented the State, also Mr. Arjun Kulkarni and Mr. Ankur Kulkarni who is an ARAE winner, all of whom being members children, eventually graduating as club members. Thank you for your patient hearing.

Sudip Naha
