EXPLANATION ON QUALIFICATION MADE BY THE STATUTORY AUDITOR

Qualification, adverse observations by the Auditors

- a) *The Club do not have an appropriate internal control system of maintaining records of individual Property, Plant and Equipment for safeguarding and establishing an effective assets identification and verification control procedure.*

Although there are numerous practical difficulties envisaged in creating an asset register in respect of all assets, given that many assets were acquired many years ago, Management intends to take up the process in the current year after due deliberation on the best way to undertake this exercise.

- b) *Effective utilization of the IT system by integration of operational and financial software and eliminating human intervention between the two. Due to the operational software system being non-integrated with the financial tally package, implication of processing accounting transactions outside the operational software and any consequent effect on the financial statements, if any, are unascertainable.*

The Club has undertaken implementation of a new ERP Solution which fully integrates the operational and financial functions. The Club expects the implementation to be complete by end of the financial year.

- c) *The vendor’s selection process needs improvement and the club also needs to develop a proper Standard Operating Procedure to standardize procurement and vendor management.*

The recommendation is noted and The Club will put in place a proper Standard Operating Procedure in accordance with the requirements of Club to improve the present process.

- d) *The Club may put in place a documented Risk Control Matrix (RCM) identifying key financial risks and the corresponding control activities across its significant processes so as to mitigate such inherent risks.*

The recommendation is noted and The Club will put in place a documented Risk Control Matrix (RCM) after identifying key financial risks and the corresponding control activities across its significant processes.

- e) *Ensure adequate internal control over management and strengthening of the internal controls in respect of follow-up and realization of old members' outstanding balances in order to reduce bad debts, subscription reconciliation and minimizing of accounting errors arising out of day to day recording of transactions.*

With the implementation of the new ERP Software having integrated systems effective controls are being put in place for reconciliation of members' outstanding balances. Management has already taken necessary steps to follow-up and realize / write off old outstanding balance from members. It may be noted that the Club has also realized substantial amount on account of old outstanding dues from members during the year under review.

DEVELOPMENT, HOUSE KEEPING & MAINTENANCE SUB-COMMITTEE

It gives me great pleasure to present, on behalf of the Maintenance and Development Sub-Committee, a summary of the key works and improvements undertaken at The Lake Club Ltd. during the accounting year 2025-2026. The Committee has continued to focus on the safety, comfort, and well-being of our members, staff, and guests, while steadily enhancing the facilities that make our Club a home away from home. The principal initiatives completed during the year are detailed below.

KEY WORKS & DEVELOPMENTS DURING THE YEAR

1. Electrical Load Distribution & Safety Upgrade

A very important electrical upgradation was undertaken this year for the safety of our members, staff, and guests. A proper and scientific redistribution of the electrical load and consumption pattern across the Club has been carried out, ensuring balanced usage, reduced risk of overloading, and a safer electrical infrastructure throughout the premises.

2. New Conference Hall & Private Party Room "The Mezz"

In response to the growing needs of our members, a new conference hall and an intimate private party room, accommodating up to 20 members, have been developed in the Boat House area and named "The Mezz." This addition provides members with an elegant new venue for meetings, celebrations, and private gatherings.

3. Swimming Pool, Dressing Rooms & Filtration System Refurbishment

Ahead of the new swimming season commencing in April, the ladies' and gents' dressing rooms and bathrooms have been refurbished to luxurious standards, with all fittings upgraded to high-quality, long-lasting features. In addition, thorough repair work has been carried out inside the swimming pool and its water filtration system, ensuring greater comfort for members and maintaining proper hygiene.

4. Kitchen Modernisation

The Lake Club kitchen has always been a key strength in delivering quality and satisfying food to our members. To further raise standards and maintain hygiene in line with international norms, all food preparation and serving tables in the kitchen have been newly installed. Additionally, two new deep freezers have been purchased to keep vegetables and other perishable items fresh and healthy.

5. Guest House Rooms - Continued Upkeep

The Club's Guest House rooms continue to be highly appreciated by members and guests for their luxury, comfort, and hygiene. The Committee maintains strict, ongoing oversight of the periodic changing and repair of furniture, upholstery, crockery, and electrical fittings, as well as the quality of room service.

6. Gymnasium Expansion & Upgrade

Acting on a long-standing request from members for expansion of the gymnasium and upgraded equipment, the Club Development Committee gave the matter serious consideration. An additional area of 450 sq. ft. has been developed with modern facilities and gymnasium equipment. In addition, the existing gymnasium area has been newly planned and modified to match the standard of the new expanded area.

7. Pool Room & Dart Room Modernisation

Many of our members take a keen interest in sports and indoor games. Considering this enthusiasm, the Pool Room and Dart Room have been modified and equipped with all modern facilities for an enhanced recreational experience.

8. New Elevator for the Guest House

With particular consideration for the comfort and mobility of senior citizens and differently-abled members and guests, a new, ultra-modern elevator with advanced features has been installed to serve the Club's Guest House rooms.

9. New Pathway to Dewar's Lounge

During the monsoon season, members had long faced difficulty in accessing the Dewar's Lounge restaurant area, as the lawn would become muddy and wet. To resolve this, a new concrete pathway, complete with proper beautification, has been constructed connecting the Club driveway to Dewar's Lounge. Members can now access and enjoy the facilities of the restaurant with comfort and safety.

My heartfelt thanks and gratitude go to my Maintenance and Development Sub-Committee members for their whole-hearted support and effort, their experience and capabilities have always made our projects smooth and error-free. INDEPENDENT AUDITOR'S REPORT

To

The Members of

THE LAKE CLUB LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of THE LAKE CLUB LIMITED ("the Club"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Income and Expenditure and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Club as at March 31, 2026, and its deficit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the 'Act'. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Club in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the 'Act' and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

We draw attention to the following matters of the Notes to Financial Statements;

- 1) Control procedures for collection of receivables in the usual course of business should be strengthened.
- 2) The Club has received a Service Tax Refund of Rs.17997.59 thousand during the year. The fund has been subsequently invested in a fixed deposit with Canara Bank. Such receipt of refund has been communicated to the members. (Refer Note 22.1 of the Financial Statements)
- 3) The balances of various Trade Receivable, Trade Payables, Loans and Advances and Deposits (assets and liabilities) are subject to confirmation. The Management however, does not expect any material differences.

Our opinion is not modified in respect of these matters.

Information Other than the Financial Statements and Auditors' Report Thereon

The Club's management is responsible for the preparation of the other information. The other information comprises the information included in Report of Committee Members, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above, and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Those Charged with Governance for the Financial Statements

The Club's management is responsible for the matters stated in section 134(5) of the 'Act' with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Club in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Club and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

The Club's management is also responsible for overseeing the Club's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Club has adequate internal financial controls system in place and about operating effectiveness of such controls.
- Evaluate appropriateness of accounting policies used, reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate overall presentation, structure and content of the financial statements, including disclosure and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and

other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

**ANNEXURE – B**

(Referred to in paragraph 2 “Report on Legal and Regulatory requirements” of the Auditors’ Report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **The Lake Club Limited** (‘the Club’) as of March 31, 2026 in conjunction with our audit of the financial statements of the Club for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Club’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Club considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by ‘ICAI’. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Club’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information as required under the ‘Act’.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Club’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ‘ICAI’ and deemed to be prescribed under section 143(10) of the ‘Act’ to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Club’s internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A club's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A club's internal financial control over financial reporting includes those policies and procedures that;

- i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the club;
- ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Club are being made only in accordance with authorizations of committee members of the club; and
- iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the club's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

In view of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the information and explanations given to us, the Club has generally maintained an adequate internal financial controls system over financial reporting with reference to these financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Club considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI. However, the internal control with respect to following needs to be improved and strengthened.

- a) The Club do not have an appropriate internal control system of maintaining records of individual Property, Plant and Equipment for safeguarding and establishing an effective assets identification and verification control procedure.
- b) Effective utilization of the IT system by integration of operational and financial software and eliminating human intervention between the two. Due to the operational software system being non-integrated with the financial tally package, implication of processing accounting transactions outside the operational software and any consequent effect on the financial statements, if any, are unascertainable.

- c) The vendor's selection process needs improvement and the club also needs to develop a proper Standard Operating Procedure to standardize procurement and vendor management.
- d) The Club may put in place a documented Risk Control Matrix (RCM) identifying key financial risks and the corresponding control activities across its significant processes so as to mitigate such inherent risks.
- e) Ensure adequate internal control over management and strengthening of the internal controls in respect of follow-up and realization of old members' outstanding balances in order to reduce bad debts, subscription reconciliation and minimizing of accounting errors arising out of day to day recording of transactions.
